## Glen Canyon News Release

### Road Construction at Lakeshore Drive and Wahweap Boulevard

Page, AZ – On Tuesday, October 25, road construction will take place at the intersection of Lakeshore Drive and Wahweap Boulevard near Wahweap Marina. Southwest Slurry Seal Construction Company will resurface the road at this intersection. Traffic control will be in place. Traffic entering from the North Entrance on Wahweap Boulevard will be detoured to Stateline Road for access to the lodge, the main launch ramp, and other services at the marina. The intersection will be closed to houseboat traffic. Work is expected to be completed by the end of the day.

Travelers in this area are reminded to drive cautiously near construction workers and allow for traffic congestion and delays.
