

The Charles Hall Ferry Bullfrog – Halls Crossing

The Charles Hall provides transportation between Bullfrog Marina and Halls Crossing Marina, State Route 276. The distance between the two marinas is about 3.1 miles and takes about 30 minutes.

The ferry can accommodate up to 150 people and approximately 22 vehicles, and departs every other hour during peak season, Mid-May through Mid-September. Departure may be delayed or cancelled if, in the judgment of the operator, weather conditions may affect the safety of passengers or vehicles.

Separate fee required to enter Glen Canyon National Recreational Area.

Daylight savings times observed during affected periods.

For any other information regarding the ferry, including to check on maintenance delays; please dial (435)684-3088.
