The PASSENGER's participation in this activity is purely voluntary – no one is forcing the PASSENGER to participate, and the PASSENGER elects to participate in spite of and with full knowledge of the inherent risks.
- The PASSENGER acknowledges that engaging in this activity may require a degree of skill and knowledge different than other activities and the PASSENGER has responsibilities as a participant. The PASSENGER acknowledges WRA / GCRH has fully explained the nature and physical demands of this activity and the inherent risks, hazards, and dangers associated with this activity.
